Denise's Balancing Act

BOVE MORNING ALREADY? **DENISE** Richards tweeted March 19, rattling off her activities: kids' dental appointments, Mommy and Me class, and phone interviews for her upcoming ABC Family series, *7xrated*. Come afternoon, the single parent to daughters Sam, 9, and Lola, 7 (dad is ex-husband **Charlie Sheen**, 47), and Eloise, 22

months, needed a pick-me-up. So she treated her trio to fro-yo at Malibu's SunLife Organics — and was rewarded with good behavior. "The girls listen to Denise," says a witness. "When she said to get in the car, they did." Indeed, Richards, 42, is a model mom, adds the source: "Lola dropped her spoon and Denise had a spare. She was prepared!"

They were in Santa Monica March 16.
